Bring Holiday Cheer to People with Mental Health Issues

Mental Health Association Presents for Participants Annual Gift Drive

Please join us by participating in the MHA Holiday gift giving program. We are once again collecting new, unwrapped gifts to be distributed during the holiday season, to people of all ages in our community-based programs and MHA residences in Ulster County.

For people who are separated from their loved ones during the holidays and to many without families or friends, this gift may be the only one they will receive. A gift from you through the Mental Health Association's *Presents for Participants* gift drive has special meaning.

During this time of COVID-19 and extra precautions a monetary gift may be the safest way to donate. This will be used for the purchase of gifts. You may contribute by check made payable to the MHA, 221 Tuytenbridge Road Lake Katrine, NY 12449.

You can send or drop off new, unwrapped gifts to the MHA Harbour Light - Foyer (Small Building Lower Lot), 221 Tuytenbridge Road, Lake Katrine.

For more information please call MHA Resource Development at 845-336-4747 ext. 1102. Thank you in advance.
